MENU

Welcome to the Pot Still Coffee Shop.

We love whisky and we love making it, but we also love coffee, bacon, cheese, and cake! Quite simply we are obsessed with super tasty food and drink. All our cakes, quiches, soups and scones are made right here by the team and we take great pride in serving up an exceptional cup of coffee.

We try our best to only use locally sourced produce, making sure where possible that all our ingredients come from the best producers and the land around us. These are the same principles and ethos that we employ in the production of our Single Malt Whisky, from field-to-bottle.

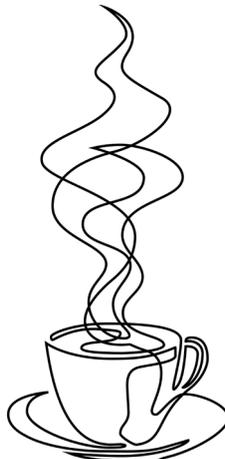

When you are ready, please place your order at the counter.

Gluten and dairy free options are always available, just ask for more info.

Last orders for hot food Monday - Saturday, 3.30pm & Sunday, 2.30pm.

The coffee and cake menu is available until closing time.
